## FLINT'S FINE FURNITURE

"And in each room I'd have a nook."

We furnish the alcoves and corners ideally with our settles, ornamental draperies, cushions, screens, etc., making charming vistas and adding great picturesqueness to a summer room.

Since the days of chivalry, when the great barren baronial halls began to take on more beauty and comfort, screens have not been so far within the picket line of economy as ours this suminer. From \$4.75.

Cushions-rich as a castle could boast, yet all boasting small pieces-a large pile of the very newest ones—cheaper than you can make th-m, from 50 cents. Draperies from Printed cotton and rich Oriental embroidered pieces.
Our green rush and reed divans, ta

bles and comfort chairs, so cool, restful and "summery" make one imagine himself ensconced in a leafy bower. "BUY OF THE MAKER"
